Package Information

Net weight:0.48kg/pcs

Gross weight:0.56kg/pcs,

One carton:7.3 kg(12pcs)

Package Dimension:212 * 128 * 86mm/pcs,530 * 240 * 275 mm/ctn

Dimensions (Unit: mm)

How to fix

1. Fix the track on the ceiling;

2. Flat joint, as installation figure;

3. Push the LED track light into the track;

4. Fix the joint, as figure.

Installation Information (according to installation figures)

- 1.Power off before installation;
- 2.Avoid installing the light in places of heat source, super-heated vapor, corrosive gas to effect lifespan;
- 3.Make sure the installation material can endure 10 times the weight of light;
- 4.Install the light in places of no vibration, no swing, no fire hazard.

Notice

- 1.Please first read the product specification carefully, make sure the using environment conform to specification, then it can be used;
- 2.Please confirm the input voltage, frequency before use;
- 3.This product must be installed by professionals;
- 4.If there is any damage to the power wire or shell of the product, it should be taken as defective product and do not use it;
- 5.Dangerous high voltage, non-professionals are not allowed to maintain the product;
- 6.If external soft cable or soft wire of the light is damaged, it should be replaced by manufacture or service agent or personnel with similar qualification to avoid danger.
